ALDRIDGE FIELD, DAN PULHAM PARK & CITY WIDE PARK

- It is the home team's responsibility to look after the facility.
- CANCELLATIONS The City of London will contact the Diamond Convenor, Wayne Bilger, if the diamond is unplayable for any reason. If you must cancel a game for reasons other than weather, please give the Diamond Convenor 48 hours' notice to allow another game to be scheduled. Don't forget to contact the Umpire Assigner, Hudson Gagne at 226-582-0983
- DIAMOND CARE The City will line and rake the diamonds during the week. This will be the home team's responsibility on the weekend. Bases are "Hollywood style" and must be removed by lifting straight out of the ground. If there is not another team there to take the diamond, the bases must be locked away. Use the tarps if rain is forecast, securing the perimeter with the sand bags, to ensure the diamond is in good shape for the next scheduled game.
Under no circumstances is anyone allowed to dig at the plate or mound to remove surface water from these clay surfaces.
- CONDUCT -- The Manager of the home team will open the dressing rooms at Dan Pulham Park. When two games are scheduled in the evening, no new inning of the first game will begin after 8:00 p.m. The second game will begin promptly at 8:30 p.m. No ball playing, catch, pepper, etc. outside the enclosed field. At Dan Pulham Park, players may warm up for the next game beyond the light pole, half way down the third base line, when the field is in use. Pepper and batting against the screen are forbidden.
- LIGHTS -- The home team Manager will turn the lights on - at the beginning of a new inning, and off - only at the end of the evening. These are mercury vapour lights that require time to warm up. Your key will allow access to the master switch - in the small box on the west side of the electrical panel at Dan Pulham Park and down the first base line at City Wide Park. Keep the box locked at all times.
- SCOREBOARD -- At Dan Pulham Park, the controller for the scoreboard is located in the closet in the centre room of the trailer. Plug it into the power source and to the 'twist and turn' connector in the score booth. Punch in the access code as printed on the controller to light up the board in right field. Report any problems to Diamond Convenor for the City to repair.

Before you leave the park, make sure bases and equipment are put away.

Turn the lights off and tarp the diamond.

At Dan Pulham Park, put the controller away and make sure all rooms in the trailer and the score booth are locked.

2. **MEMBERSHIP FEES**

Each club and, or association will pay a one-time-only membership and performance bond of \$100.00 each. London & District Baseball Association Inc. (LDBA) may draw upon this bond for any fees, levies or fines. The bond must then be reinstated for a member to be held in good standing.

A team fee will be announced yearly. All team fees must be paid prior to the start of league play.

The board of directors will set forth, annually, a format of competition and awards and assess the annual team fee.

Teams that are not playing a full league schedule are not eligible to participate in LDBA playoffs. Deposit is due from teams at the coach meeting in April/May. Deposit fees are reviewed annually at the January Board meeting and sent to all associations. Any refund will be returned promptly at the end of the season. LDBA teams will pay this fee when they register their teams.

No team will be allowed to start the season if they owe money.

Both the team and the local association will be advised.

As required by OBA in order to obtain insurance, small centre associations will be allowed to be affiliated with LDBA for a one-

13

time fee of \$100. A copy of the LDBA bylaws and the OBA Playing Rules and Regulations will be provided to the centre.

3.. L.D.B.A. BADGERS

- a) It is the policy of the LDBA to restrict the Badgers' rosters to appropriately aged players. However, should an elite player from the lower ages be able to prove that he has the needed skills for a Badger team, he will be allowed to try out and be named on the roster, if successful. Exception to the policy must be approved by the Badger Committee. There will only be one team allowed by the LDBA for each playing division (e.g. one 11U team, one 12U team, etc)
- b) The Badger Committee will ascertain each player's intentions and report such to the local association by the September LDBA meeting. The Badger Chair will send out a complete player list of all players attending the Badger workouts/tryouts, thereby eliminating the need for the players to register with their home associations. If home associations have workouts/tryouts it is recommended that the player check with the home association so as not to miss tryouts in case their attempt to secure a spot on a Badger team is unsuccessful.
- c) The Badger teams may use appropriate call ups from within the Badger system.
- d) Applications for all managers for the LDBA Badger teams will be advertised by the association.
- e) The Badger program will be totally self-sufficient, allowing no cost to the other member associations. The Badger teams will pay the same league and OBA carding fees to the LDBA as all other member teams.
- f) Players from outside of LDBA who live in a centre that does not offer the higher caliber baseball program, may obtain a release and tryout for the LDBA Badger program. This would exclude WOBA players as there is an agreement in place between LDBA, WOBA and OBA regarding the fact that WOBA players do not need a release to tryout for the Badger teams.

- g) The Badger teams will be included in the playoffs, if they so wish. Badger teams must play a full schedule in LDBA to be eligible for playoffs.
- h) The London Badgers will choose their team by the last Sunday in September of each new playing season. Team lists, along with unsuccessful players, will be provided to the LDBA Secretary for distribution.

5. CERTIFICATION OF COACHES

All coaches and field managers may not be added to a roster until the required courses for that division have been completed. The local association, when submitting a roster, is by way of submission, stating that all information is correct. The LDBA registrar will remove any unqualified persons. If the unqualified person is on the bench/field, at practice, etc, the head coach will receive a one-game suspension.

For OBA Elimination tournaments, coaches must meet the Baseball Canada certification requirements applicable to the national tournament they would attend if their team won the Elimination tournament. (OBA rule P2-4)

6. L.D.B.A. SCORING AND LEAGUE STANDINGS

- a) Standings within L.D.B.A. leagues are determined using the following scoring system:

 - iv. coin toss

15

- c) A defaulted or forfeited game will be scored as 7 – 0 and result in a \$50 fine. This fine is at the discretion of the convenor.
- d) Games tied after the regular number of innings (5, 7, or 9) for that age level will remain as a tie. No extra innings will be played to break the tie, so weekend games have no advantage over night games.
- e) Percentage as indicated on the web site will assist with team classification only, and not apply to league standings.
- f) Points earned from inter-division games will count towards league standings.
- g) To count for league standings, to establish the pennant winner, and to determine playoff positioning, league games must be played by the date as determined by the LDBA Board yearly.

- l. Centres below B level cannot have multiple select teams in the same age category.

Teams must submit pitch counts per OBA rules via the Pitch Count App. If a dispute occurs during the game, the home team's record will be deemed accurate. Score cards must be kept in case of a dispute.
- b) All ejections (including tournaments, etc) must be reported to the LDBA via an online form immediately following the game. (This is ensure that all ejection reports are completed by the umpires and LDBA can follow up). Failure to report the ejection, may result in a suspension to the Manager. The form will automatically be sent to the Discipline Chair, the LDBA UIC, and the President.
- c) Home team will have 2 new approved baseballs to submit to the umpire to start the game. The club will also have a supply

of acceptable baseballs which are up to the umpire's standards, available to go into the game. Only approved baseballs listed as part of the OBA Rules shall be used for all LDBA games, tournaments, and qualified games.

- d) Both clubs fill out lineup cards with full names, numbers and positions of their players. Cards are presented to the umpire at ground rules and the umpire keeps it for the game and must be told of any changes. Players may be added to the lineup card throughout the game.
- e) Home team presents the ground rules including park curfew.
- f) The home team manager or his designate cannot use an uncarded (uninsured) individual as a substitute for the assigned umpire. Penalty: one game suspension and the game is forfeited.

b) If rescheduling a game, contact your Convenor immediately. In addition, if the game was to be played at Labatt Park, Aldridge, City Wide or Dan Pulham Park you must also phone the L.D.B.A. park convenor, Wayne Bilger, or you may be charged with the park fees.

c) League games scheduled up to and including June 30 may be rescheduled by agreement between the two teams and their convenor. After June 30, games will be rescheduled only as a result of inclement weather. Four (4) point games are not allowed.

d) *No team may cancel a game with less than 24 hours' notice (48 hours for Friday/Saturday/Sunday games) for any reason, except weather. The Series Convenor will notify the Treasurer as soon as a game has been cancelled in violation of this rule. The first violation shall be a \$25*

fine to the association's team. The second violation shall be a \$50 fine to the association's team. The third and subsequent violations shall be a \$100 fine to the association's team.

The home team will supply the visiting team 2 alternate dates/times for a cancelled game within 5 days of the game cancelled. The division convenor must be copied on all emails. The home team must check the calendar to ensure that the visiting team does not already have a previous commitment on a supplied date. The visiting team has 2 days to accept a date, or reply to the home team and convenor as to why neither date is acceptable. (Playing multiple games in one week, Monday's following tournaments, etc. are not reasons to refuse dates)"

- e) Games conflicting with tournaments must be rescheduled in advance of the tournament. League games scheduled the day before or right after the tournament must be played according to the schedule.
- f) If you cannot field 9 players for a game including 8U and 9U, even after trying your call-up system, then you must forfeit the game. This game cannot be rescheduled even if the other coach agrees to it.
- g) Failure to play when ordered by the Convenor could result in suspension of the team. Game will be forfeited and so recorded as a loss of 7 to 0 (in a 7-inning game).

11. CALL-UP SYSTEM

- a) **Advancement of Players** A player in any series 13U and lower may advance as follows: 9U to 10U and 11U, 11U to 13U, 13U to 15U.
- b) **9U** must draw call-ups from their 8U rep team and **8U** must draw call-ups from within their own association house league at equal or lower age levels. Call-ups can only participate in L.D.B.A. league games.
- c) **10U to 18U** must draw call-ups from their own association team(s) in lower O.B.A. series. A team cannot call-up from a team of the same series in the event the association has 2 teams in a single series. For clarification, a team with even one major-aged player is classified by OBA as 'Major' regardless of the division in which they participate for LDBA league play.
- d) 'Major' teams may call up from the Minor team in the same age category or the Major team in the age category beneath them. Minor teams may call up from the Major or Minor teams in the age category beneath them. (For example, 12U can call up from 11U and 10U. 13U can call up from 12U or 11U.)
- e) A player is not eligible to be used as a call-up player in the same division that he participates in for league play.
- f) 22U carded players may play up for any Senior team in league play, pending approval by the Manager of their home team. Callups are to

21

be callups and not steady players. Callups are to be indicated on game card with a "C". If no 22U player is available, the Senior league convenor must call the LDBA President for contact info of a player/team. The senior teams are not to call 18U players directly.

- f) You must request permission from the manager of the team where the player is carded in order to use a call up player.

12. LEAGUE PLAYOFFS

- a) The playoffs for all age levels may be split into A and B divisions at the discretion of the Executive. The hosting association will convene the playoffs as a double knockout tournament. Seedings for all playoff tournaments will be as follows—

3 team – 1st place receives bye, 2 vs 3 (game 1)

4 team – 1 vs 3, 2 vs 4

5 team – 1st place receives bye, 2 vs 4 (game 2), 3 vs 5 (game 1)

6 team – 1 vs 4 (game 1), 2 vs 5 (game 3), 3 vs 6 (game 2)

7 team – 1st place receives bye, 2 vs 5 (game 2), 3 vs 6 (game 3), 4 vs 7 (game 1)

8 team – 1 vs 5 (game 1), 2 vs 6 (game 3), 3 vs 7 (game 2) and 4 vs 8 (game 4)

9 team – 1st place receives bye, 2 vs 6 (game 4), 4 vs 8 (game 1), 3 vs 7 (game 2), 5 vs 9 (game 3)

10 team – 1 vs 6 (game 1), 4 vs 9 (game 2), 3 vs 8 (game 3) 5 vs 10 (game 4), 2 vs 6 (game 5)

- b) Local associations will be asked to host and assign the umpires.
- c) Umpires for 18U and older will be assigned by L.D.B.A. age group, unless the local association assigns their own umpires.
- d) Teams will pay a tournament fee as decided at the LDBA January meeting. This fee will cover the team's entry into the playoff tournament and will be collected with the fees at the beginning of the season.
- e) Host teams must supply the baseballs for the playoff tournament.
- e) Seeding will be based on final league results and playoffs arranged according to the OBA printed format. With an odd number of teams, the 1st place team receives the bye and the seeding is consistent with the previous pattern above. Percentages are NOT used to determine seeding for playoffs.
- h) Ties must be broken in all games. OBA tiebreaker rules will be used.
- i) Normal mercy rule and curfews apply. There is no curfew for the final game of a league playoff tournament. There are curfews in every other game of the league playoff tournament.
- j) Pitches must be recorded in the Pitch Count App per OBA rules.

- k) If a team pulls out of the playoffs less than 72 hours before the first scheduled playoff game, a fine of \$200 will be levied against the association.
- l) The home team in each game will be the team that finished higher in league standings. No coin toss is necessary.

13. O.B.A. CLASSIFICATIONS

- a) At the May LDBA meeting, the OBA representative shall name a Classification Committee which shall include him/herself and at least three other members of the LDBA Executive. The secretary shall function as chair of this committee, or shall name someone else to chair the committee on their behalf. At all times, the Classification Committee shall work within the rules for classification established by the OBA and revised from year to year.

Suspended for the 2025 season due to the OBA pilot program on classifications.

- b) On the evening of the last Sunday in June or as decided upon by the Committee, this Classification Committee shall meet with LDBA representatives, or their designates, for the purpose of assigning OBA classifications. Divisional convenors will be invited to attend, or to provide up-to-date division standings to the Classification Committee.
- c) Prior to this meeting of the Classification Committee, LDBA representatives should consult with the managers of their association's competitive teams, in order to determine how each team would prefer to be classified. A manager or coach of each team may attend the classification meeting, or should be available by telephone during the time of the meeting, in case their association representative should need to have further consultation with them. Within 24 hours of the meeting, decisions made by the Classification Committee will be reported back to each team's manager by their association representative in attendance at the meeting.
- d) Ultimately, decisions regarding classification rest with the Classification Committee, and must be reported to the OBA office as stipulated in the OBA Constitution. Failure to submit such information by such time shall result in the applicable team(s) not being classified by the OBA.
- e) The classification designation for LDBA teams is listed on the OBA website. Householder postal information is used for classification purposes.
- f) For a team to be assigned an OBA classification, they must have played no less than 80% of their scheduled-to-date league games by the time of the meeting of the Classification Committee. They MUST also provide their L.D.B.A. representative and divisional convenor with a record of

their tournament results before the meeting of the Classification Committee, in order that this can be submitted to the O.B.A.

- g) When LDBA is allowed to send more than one team per classification to a Mega Tournament or an O.B.A. championship tournament, then all teams desiring to go and eligible by population, shall be classified accordingly.
- h) At the rep level, if LDBA is allowed to send only one team of a particular classification to an OBA championship tournament, and when only one team eligible by population seeks this classification, then it shall be classified accordingly. When more than one team seeks this classification, then a playoff shall be held to determine which team attends the championship tournament. When a playoff is necessary, the divisional convenor will take responsibility for seeing that it is scheduled as soon as possible and to be completed 2 weekends before the OBA/SOBA weekend. All playoffs will be a best of three game series if 2 teams classify for the same spot and if 3 or more teams are challenging for the same spot, the games will be a double-knockout tournament. All classified teams will be drawn from a hat at the classification meeting to determine seeding for the series. All best of three game playoff series will be treated as a three-day tournament with regards to pitching rules.
- i) The London Badger's teams will automatically be classified at the highest category available for their age group, and may not be challenged by other LDBA teams for these classifications.
- j) 18U teams eligible by population must play in the LDBA 18U division in order to be eligible for classification by LDBA.
- k) A mixed or major aged team participating in the Brock (Minor) or Bushby (Mixed) division cannot challenge a Bailie (Major) team for classification.
- l) The LDBA directors will have the power to rule on special situations not specifically covered or clarified under these guidelines.
- m) Any team wishing to challenge for an OBA classification may do so no matter what the team's tournament and/or league record is per OBA rules.
- n) Pitching rules for challenge games -- challenge games will be treated as a tournament. 1st game will be considered a Friday game, 2nd game will be treated as a Saturday morning game, 3rd game will be treated as a Saturday afternoon game, 4th game will be treated as a Sunday morning game, and the 5th game will be treated as a Sunday afternoon game. All OBA Pitching rules will be followed.
- o) All challenge games must be completed 2 weekends prior to the respective division's OBA/SOBA championship. If games are not completed by this date, the LDBA President or his/her designate will arrange for a coin toss to determine the team who will move forward to the OBA/SOBA Playoff Tournament.

p) Select teams must declare if they would like to attend the SOBA championship at the classification meeting. Playdowns will be conducted similar to the playdowns for the teams wishing to attend OBA championships.

LDBA SELECT PLAYDOWN (approved in 2024)

Each season we will ask teams to declare their intentions of whether or not they intend to have the opportunity to play at the SOBA championships.

LDBA will request up to 3 spots in each tournament, if the number of teams wishing to attend requires that many, knowing that it varies from year to year on what LDBA is awarded for each tournament. We are guaranteed 1 spot, but in some cases, we may get a 2nd or 3rd spot.

Unlike in rep there is not Classifications to trim down how many teams may wish to compete for 1 or maybe 2 spots. Going forward for this 2024 season and beyond, this is the proposal I would like to present to get the number of teams to a manageable number

PROPOSAL

- As of the end of day July 20th, the top 4 teams that have declared intentions to play at the Classification meeting, will be the 4 teams allowed to playdown for the right to represent the LDBA.
- In the event LDBA is awarded 2 spots, the first-place team as of July 20th will get an auto bid, and the next 3 teams will playdown.
- In the event LDBA is awarded 3 spots the top 2 teams as of July 20th will get an auto bid and the next 2 teams will play down.
- In a division with only 1 team wishing to declare, they will get the spot automatically
- In a division with only 2 teams wishing to declare and only one spot is awarded, they will play down and no automatic bid will be given, if 2 spots are awarded no playdown is needed, both teams will go
- In a division with only 3 teams wishing to declare and only one spot is awarded, they will play down and no automatic bid will be given
- In a division with only 3 teams wishing to declare and two spots are awarded, we will give an automatic bid to the first-place team as of July 20, and the next 2 teams will playdown

In the event there are ties in the league standings based on points, we will go to head-to-head matchups to determine the higher seed

If still tied the team with the least number of runs allowed in those same games will break the tie

If still tied the team with the highest number of runs scored in those same games will break the tie

LDBA SELECT PROPOSAL FOR 13U SELECT FOR 2025 SEASON

The top 2 LDBA teams declaring intentions from each division (Northwest and Southeast) in the 13U loop will proceed to the playdowns, creating a 4 team playdown.

In the event LDBA is awarded 2 spots, the 2 teams from the Northwest division will simply play down in a best 2 out 3 against each other within there own division and the top 2 teams from the Southeast division will playdown against each other in a best 2 out 3, thus we will have 1 representative from each division. This is only to be the case if LDBA is awarded 2 spots at the SOBA championship

14. DISCIPLINE

- a) All carded players and coaches who are members of L.D.B.A. Inc. are subject to the discipline of L.D.B.A. Inc. regardless of who they are, or where they play.
- b) Any player, coach, manager or team personnel ejected from a game will be suspended for the next one or more L.D.B.A. games, to be served in a regularly scheduled, play-off, or O.B.A. game within the L.D.B.A. Inc. league. This suspension is to be above and beyond any suspension served at a tournament or non-L.D.B.A. game.
- c) Any ejection of a coach or player must be reported by the offending team within 24 hours of the occurrence to the LDBA via the Discipline Report Form on the LDBA website. Any coach failing to report an ejection may be subject to disciplinary review. The suspension will be set as follows:

**L.D.B.A. EJECTION SUSPENSIONS

- d) If one feels he/she has been treated unfairly, an appeal can be made in writing to the L.D.B.A. Secretary. A new committee will then be formed to hear the appeal.

15. METHOD OF FILING AN APPEAL

An appeal is heard strictly on the basis of an error in the interpretation of the rules. Umpire's judgement is not basis for an appeal. The umpire and opposing coach must be advised of your decision to appeal before the 'next pitch' and it should be recorded on the back of the game card. The L.D.B.A. Secretary must receive the completed form and a \$50 cheque payable to L.D.B.A. within 24 hours of the game in question. The decision to hear the appeal will be based strictly on compliance with providing all of the required information listed below. All additional information will be welcome at the time of the hearing, if the committee determines it is warranted. Should there be no basis for appeal, or inadequate facts and details provided as required, you will be advised in writing, thanking you for your \$50 donation to the association. Please remember that ejection from a game is the umpire's decision, based on conduct of the ejected person, and in itself, not basis for appeal.

ONTARIO SUMMER GAMES

The team that represents LDBA at the Ontario Summer games will have a coach chosen by the LDBA and they will have open tryouts for participants that wish to play on the team.

RAINOUTS

When a game is "called" before official completion, because of rain or darkness or curfew or light failure, OBA rule RP 2.2 (b) will be followed. "A 7-inning game will be considered an official game after 4 innings of play or 3-1/2 innings if the home team is ahead."

THUNDER AND LIGHTNING SAFETY AND PREPAREDNESS

When thunder roars, GO INDOORS! Every year in Canada, lightning can cause as many as 10 deaths and 164 injuries. You can avoid a tragedy like this by taking a few simple precautions. **If you can hear thunder, you can get hit by lightning.** Take shelter immediately. If you cannot find a sturdy, fully enclosed building with

29

wiring and plumbing, get into a metal-roofed vehicle. Stay inside for 30 minutes after the last rumble of thunder. *IT IS BETTER TO CANCEL THE GAME THAN RISK THE LIFE OF A PLAYER, COACH, UMPIRE OR SPECTATOR.*

COACHING IDEAS

Some suggestions gathered from experienced coaches that may assist you with your coaching duties this year:

1. Don't try to do the job alone. Allow other volunteers to get involved.
2. Plan your practices before you get to the diamond. Make the practice interesting and fun by knowing which skills you want to cover and what drills you will be using.
3. Know the people in your home association and on the LDBA Board. There is a lot of knowledge in the baseball community - ask questions if you need answers and seek assistance if you have problems or concerns.
4. Remember to "AP" players that are returning to house league teams after the final formation of your team.
5. Participate in the Classification process in June. Talk to your LDBA Rep, the Convenor and other coaches in your division prior to the meeting.
6. Your score must be reported immediately after every game to be posted on the web site. It is not the Convenor's job to "chase" for this information. If you can't or won't do it, immediately appoint someone who will reliably report the score to the Convenor.
7. Use the web site for information - schedules, scores, and standings are only a small part of the postings. Use the links to visit other baseball sites. The LDBA web site changes regularly to present items of interest and we strive to keep you up to date, enlightened and entertained. If you don't have access to a computer, have a parent or player provide printouts for you.
8. Open the lines of communication. Distribute a contact list that includes parent names, create a regular newsletter, and discuss plans for tournaments and exhibition games.
9. Learn from others, what to do as well as what not to do. Watch a baseball game and check out the coaching methods or the umpiring positioning. Attend a game where you can observe experienced coaches. Talk to other coaches.
10. Remember that there are 3 teams on the field. The umpires deserve the same respect and understanding that you extend to your own team or the opposition.
11. Find positive ways to motivate and encourage your players with your actions and words. In addition to the game of baseball, your players are learning

life skills as part of a team. Remember that you are a role model for the young people on your team and conduct yourself accordingly.

12. Have fun. The score of the game is not the only way to measure success.
